UNIT: 106th Medical Group

AFSC: 48R3 (Entry Level)

MAX AVAILABLE GRADE: Lt Colonel

POSITION TITLE: Residency Trained Flt Surgeon
(THIS IS A DRILL STATUS POSITION – 1 POSITION)

AREA OF CONSIDERATION: Nationwide All candidates may apply who meet the basic qualification for position and are eligible for membership in the NYANG.

SPECIALTY SUMMARY

Administers the aerospace medicine program; conducts medical examinations and provides medical care for flyers, missile crews, and others with special standards of medical qualification. Evaluates living and working environments to detect and control health hazards and prevent disease and injury within the Air Force community. Related DoD Occupational Group: 260101.

QUALIFICATIONS AND SELECTION FACTORS:

- Selection for this position will be made without regard to race, religion, color, creed, gender, or national origin.
- Applicants are subject to review by the FSS and if mandatory requirements are met, as outlined in applicable regulations, applicants must meet an Officer Screening and Interview Board (OSIB)
- The requirements and qualifications prescribed in this announcement are the minimum for nomination for appointment consideration. Appointment is not assured merely by meeting these requirements. Persons considered must further qualify with requirements outlined in applicable regulations

MINIMUM QUALIFICATIONS:

Applicant must be less than 47 years of age at time of initial appointment and must satisfactorily complete an appointment physical.

MANDATORY SCHOOL & TRAINING:

Education. For award of AFSC 48R1, completion of a primary course in aerospace medicine IAW AFI 48-149, *Flight and Operational Medicine Program (FOMP)* as outlined in Initial Qualification Training (IQT). Completion of a residency (other than the USAFSAM Residency in Aerospace Medicine) at a residency training program fully accredited by a recognized national accrediting agency acceptable to the Surgeon General, HQ USAF.

EDUCATION: For entry into this specialty, it is mandatory to possess a doctor of medicine degree or a doctor of osteopathy degree from an approved school of medicine or osteopathy.

SEE REVERSE

DUTIES AND RESPONSIBILITIES:

- Provides aerospace medicine support. Implements policies and procedures and prepares directives governing flight medicine, preventive medicine, and occupational medicine. Serves as liaison with federal, state, and local agencies in matters related to aerospace medicine, preventive medicine, and occupational medicine. Follows medical standards for flying and special operational personnel and submits recommendations on waivers of medical standards. Develops programs to ensure a fit force for worldwide deployments. Participates in training programs for aeromedical personnel.
- Provides preventive medicine support. Directs health education and control measures for preventable diseases and injuries. Determines adequacy of living and work environments. Conducts health promotion and fitness programs. Provides advice on nutrition, food service sanitation, water supply safety, sewage and waste disposal, immunizations, and health education. Conducts or provides consultation for disease outbreak investigations and health services research.
- Advises medical staff. Advises medical and dental staff on treatment of flying and special operational personnel and preparation of patients for aeromedical evacuation. Provides medical advice and guidance to bioenvironmental engineering, public health, physiological training, and other organizations. Provides epidemiological expertise for population-based health services and evidence-based medical practice.

KNOWLEDGE:

Fulfillment of education and experience requirements satisfies this requirement.

EXPERIENCE:

For award of AFSC 48R3, designated Fully Mission Capable (FMC) IAW AFI 48-149 as outlined in Mission Qualification Training (MQT).

OSIB:

An Officer Screening and Interviewing Board (OSIB) will convene to interview all qualified applicants. Applicants will be informed in writing, or telephonically, of date and time to appear.

APPLICATION PROCEDURES:

Applicants will prepare and forward one copy of the AF Form 24, Application of Appointment as Reserve of the Air Force or USAF Without Component, Copy of AFOQT Scores, Resume, Current Official College Transcripts, Record of Separation/Discharge from the US Armed Forces (if applicable), and a Records Review RIP (if applicable).

Questions may be directed to MSgt Matthew Repp at 631-723-7184 or send an e-mail to: matthew.repp@ang.af.mil.

Applications will be accepted by mail only and must be postmarked with a date on or before the close out date of this announcement. It is highly recommended that all applicants obtain a delivery verification receipt for their package.
